

## ***Waltherson Improvement Association Flag Project***

Show support for your community  
and let your neighbors know that you are proud to live in Waltherson!!

The Waltherson Improvement Association has received a grant from HARBEL/Baltimore Community Foundation to develop a neighborhood flag that members can proudly display on their home or yard.

Waltherson will be one of the **first** neighborhoods in the northeast to have such a flag. The cost of the flags is \$25 and purchase of the flag comes with a one-year membership to the Waltherson Improvement Association.

As with any good deal, this won't last forever! If you are interested, join your neighbors in showing pride in your community. Please fill out the form:
